LECTURES

- Trainer-narrated lectures deliver comprehensive coverage of the areas of competency.
- Interactions and pop quizzes keep adult learners engaged.
- The bonus Orientation lecture introduces students to the Competency Test and offers an approach for studying.

ASSESSMENTS

- Each module includes a quiz and a final exam sample that allows students to self-assess as they progress.
- Quiz formats include drag & drop, true/false, matching, fill in the blank, and word selections.
- 100-question Final Exam in the multiple-choice format used for Florida's official Competency Test.

LIBRARY

- The Course Library supports learners with original study aids.
- Tables and timelines organize complex regulatory concepts that will transition from training to real world work.
- Bonus content, like the Study Checklist and the Syllabus-Regulatory Crosswalk, points learners in the right direction for study.
